उपरोक्त/Madam,

Subject: Participation in Municipalika 2023, Exhibition and Conference, scheduled to be held from 28th to 30th November 2023 at Place Grounds, Bengaluru - reg.

I am directed to refer to the communication dated 23.03.2023 (copy enclosed) on the subject mentioned above and to state that the Municipalika is organizing 17th Exhibition and Conference for "Smart and Sustainable City Solutions" at Palace Grounds, Bengaluru from 28th-30th November 2023. More details of Municipalika are available in the Brochure enclosed. Municipalika is an annual event on urban issues, organised by Good Governance India Foundation.

2. The broad themes of Municipalika-2023 include Pradhan Mantri Awas Yojana's (Housing for All-Urban) initiatives in facilitating affordable housing programs, subsidies, facilitating green and disaster-resistant technologies for building materials, in the Conference and Exhibition segments. Further, the event will focus on strategies, best practices, display and demonstration of technologies, equipment and solutions for implementing ongoing urban missions including Pradhan Mantri Awas Yojana, Smart Cities Mission, AMRUT cities, Swachh Bharat Mission, etc. leading to large scale construction activity. The strategies and solutions will cover affordable housing, water and wastewater, sanitation, solid waste, urban mobility, safety and security, e-governance, energy efficiency, pollution control etc.

3. In view of the above, it is to state that it would be useful if there is participation from your State/UT in Municipalika-2023 Exhibition and Conference.

This issues with the approval of the Competent Authority.

23rd March 2023

Dear Shri Kuldip Narayan Ji,

Warm Greetings from Good Governance India Foundation. It was indeed a pleasure meeting you yesterday. Thank you for the time given.

I am writing to you regarding Municipalika ,International Exhibition and Conference, India's leading forum on city infrastructure and sustainable urban and housing development being organised since 2003. Ministry of Housing and Urban Affairs, the various urban and housing missions of the ministry, other related Ministries of the Government of India and many states and cities have been actively supporting and participating in Municipalika. The event is co-located with CAPEX (Construction, Architecture, Planning and Engineering Expo) for innovative Building Materials and Technologies.

We had the privilege of the esteemed support of the PMAY/HFA at Municipalika 2020 as well as in the earlier editions.

Municipalika 2023, the 17th International Exhibition and Conference on Safe, Smart and Sustainable City Solutions, is being organised at Palace Grounds, Bengaluru from 28th to 30th November 2023, with the full support of Govt. of Karnataka as Host State.

- We look forward to receiving in-principle confirmation of participation and support from the Pradhan Mantri Awas Yojana (PMAY)/Housing For All (HFA) Mission for Municipalika 2023 including logo. *
- As in earlier years, there will be a dedicated Conference segment on housing and related areas etc, for which we are expecting enthusiastic participation from Urban Local Bodies, Housing Departments, Housing Parastatals, Private Consultants and Service Providers for Housing Development, Architects, Engineers, building construction technology providers, and other industry experts.

The sessions above will help showcase the initiatives, challenges, solutions and roadmap for housing development across the country under PMAY.

We would be honoured to have you Chair the session, details of which we will be sharing with you shortly.

- As in the past, we would be thankful if a communication could go out from your office to all state mission directors for PMAY, state housing development departments, municipal corporations, ULBs, and housing parastatals across India, as well as other important stakeholders and technology providers in the housing sector, inviting their participation in Municipalika 2023, by taking up exhibition space, and nominating delegates.

- We also propose and request that the PMAY Mission underwrite good exhibition space, say of around 200-300 sq m or as appropriate, for putting up an PMAY Pavilion showcasing all the Mission's initiatives, projects, programmes, solutions and case studies.
- We also request Municipalika 2023 link/banner to be put on the PMAY Mission website homepage for creating better awareness of the event among all the housing stakeholders.

We would be very happy to receive your suggestions and inputs on how to make the Housing Session and displays more productive and useful to take forward the Ministry's initiatives and message to the housing development bodies, housing parastatals, urban local bodies, and other PMAY stakeholders.

We are confident that your active participation and leadership will bring in much-needed insight and expertise to further enrich the conference, and will help to exchange knowledge and build awareness regarding the PMAY Mission, and the best practices in housing that are transforming Indian cities each day.

Please find the details of the event attached below for your reference:

1. Brochure of Municipalika 2023
2. Show Directory of Municipalika 2020
3. Post Show Report of Municipalika 2020

We request your approval at the earliest, so that we can incorporate, highlight and acknowledge the PMAY participation, support and logo in the marketing collaterals.

Thank you,

With best wishes and kind regards.
